2023 Mental Health Awareness May Event			
<p>Brief update on the action items from last meeting. For registration there is 96 people, and there is on-going advertising push through the wellness complex, Facebook, twitter and all includes a link for registration. Kyle: bringing the small games, sidewalk chalk, bubbles. Refreshments will be purchased on Thursday. The Pocatello Transit will be bringing the trolley up for display. Kim Jackman has t-shirts for the registration handout. Community stakeholder/vendors set up is from 8-9; with participant check-in between 9:30-10. Breakdown for vendors will start at noon-1 pm. Kyle will do the MC for start of fun run. There will be a map to the 5K course included in the reminder to those that are registered and added to some of the social media push. Victoria reported that she also did an interview with KPVI to promote the event as well. FYI online photo contest submittals will be displayed, Victoria will print and frame for display at the event.</p>			
Committee Member Updates			
All Members	<ul style="list-style-type: none">• Kyle Hanson was introduced to the new members; he works with the DHW, as the CANS program manager now.• Victoria lead discussion around the need to come up with questions to be on an electronic community survey that will be promoted through the Farmer's Market boot. Suggested questions included Crisis Center, Opioid Crisis, what is naloxone? How to access naloxone resource, Idaho Harm Reduction Project, YES program services for children & how to access, vaping & smoking cessation and awareness of the 988 number, difference from 911.
