Hello Idaho Parents and Caregivers! Help shape the future of early childhood education in Idaho! Take part in this survey for the Idaho School Readiness Project. Your input matters as we seek to understand how early childhood programs impact children and families' well-being.

Why Take the Survey?

Your voice matters! Your participation in a survey will help inform early childhood care and education in Idaho. It only takes 10-15 minutes to complete.

Who Can Participate?

You are eligible if you are: 18+ years old, live in Idaho, have a child (or children) aged 5 and younger and read and write in English or Spanish.

Your Privacy Matters

The survey is voluntary, and your responses are private.

The survey will close on November 30 2024
