

Southeastern Healthcare Collaborative:

Mission: The mission of the Southeastern Healthcare Collaborative (SHC) is to support Primary Care medical practices in their transition to and maintenance of Patient Centered Medical Homes (PCMHs) and to support the integration of each PCMH with the Medical Health Neighborhood. This will be accomplished by providing a structured forum for sharing valuable knowledge, finding common solutions, identifying resources to achieve improved health outcomes, improved quality and patient experience of care, and lower costs for all Idahoans.
