| Discussion | <p>Proposed Mission Statement: The mission of the Southeastern Healthcare Collaborative (SHC) is to support medical practices in their transition to Patient Centered Medical Homes (PCMHs) and to support the integration of each PCMH with the local Medical Health Neighborhood. This will be accomplished by providing a structured forum for sharing valuable knowledge, finding common solutions, and identifying resources to achieve the Triple Aim of improved health outcomes, improved quality and patient experience of care, and lower costs for all Idahoans.</p> | | |
