

Southeastern Idaho Public Health

Steps to obtain a Septic System Installer Permit

- Complete the application.
- Pay the fee.
 - \$60.00 for basic installer
 - \$120.00 for complex installer
- Take the onsite septic system installer exam and pass with a score of 70% or better.
- Both the basic and complex exams are open book.
 - The Technical Guidance Manual for Individual and Subsurface Sewage Disposal Systems can be found at:

<http://www.deq.idaho.gov/water-quality/wastewater/septic-systems/technical-guidance-manual.aspx>

- Submit the **original** Subsurface Sewage Disposal Installer Bond, made out to: State of Idaho, Director, Department of Environmental Quality, or His Designee. The bond must expire on December 31 of each year. The bond must be for \$5,000.00 for a basic installer and \$15,000.00 for a complex installer.
