A Community Resource Fair Will be Held at Southeastern Idaho Public Health on August 22, 2018

To connect families with resources in our community, Southeastern Idaho Public Health will be holding their 2nd Annual Community Resource Fair at their Pocatello facility, on 1901 Alvin Ricken Drive, on Wednesday, August 22nd from 3 pm-6 pm. This FREE event is open to the community, and will provide light refreshments, children activities, and raffle prizes. Please come and find about the great resources that are available in our community. For more information, please contact 208-239-5238.
