## Southeastern Idaho Public Health Offers Fluoride Varnish and a Visit from Santa

To aid in preventing tooth decay in young children, Southeastern Idaho Public Health will be holding a fluoride varnish clinic, along with a visit from Santa and holiday crafts. This is for children of all ages at their Bannock County Office, located at 1901 Alvin Ricken Drive, on Monday, December 17<sup>th</sup> 2:00-5:00pm. Fluoride varnish is covered by most insurance plans; please bring your insurance card with you to the clinic. If you do not have health insurance, or are “underinsured,” the cost of the fluoride application is by donation only, but no one will be denied services due to inability to pay.

For more information or to schedule an appointment, please call 478-6314 or visit [www.siphidaho.org](http://www.siphidaho.org).
