## **Southeastern Idaho Public Health Observes World AIDS Day**

The 30<sup>th</sup> anniversary of World AIDS Day is on December 1<sup>st</sup>, 2018. Southeastern Idaho Public Health is joining with organizations around the world to take action towards ending the AIDS epidemic by offering free rapid HIV, syphilis, and hepatitis C testing for at-risk people for the entire month of December in each of our 8 county offices. Those who wish to participate can be entered into a drawing to win a free iPad (no service required for drawing entry). For more information or to schedule an appointment, please contact your local Southeastern Idaho Public Health office at 847-3000.
