Southeastern Idaho Public Health Confirmed Case Announcements

As of today, Southeastern Idaho Public Health (SIPH) will be revising the way cases are announced. Instead of announcing all new cases, SIPH will **only** announce new COVID-19 cases in counties that do not already have any cases. Southeastern Idaho Public Health will also announce deaths and first instances of community transmission that occurs in a county. Southeastern Idaho Public Health will update cases on their website, www.siphidaho.org, every day at 5 pm. For COVID-19 specific information, please call SIPH's call center at 208-234-5875 or watch SIPH's Facebook Live, Monday-Friday at 11 am.
