Southeastern Idaho Public Health Confirmed Two Deaths in Southeast Idaho Due to COVID-19

Southeastern Idaho Public Health (SIPH) has confirmed two deaths associated with COVID-19 in Bannock County. The individuals were both males. One was in his 90s and the other was in his 60s. This brings the total to 60 deaths due to COVID-19 in southeast Idaho. Out of respect to these individuals' families, no additional details will be released.

SIPH urges all residents to take precautions to slow the spread of COVID-19. This includes practicing social distancing at all times, wearing cloth face coverings in public places, practicing good hand hygiene, and isolating immediately if you show symptoms of COVID-19.

Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

SIPH has a call center to field questions from the community and is open Monday-Friday 9:00 a.m. to 4:30 p.m. You can reach the hotline at (208) 234-5875.
