

COVID-19 VACCINE FACTS

WHAT IS A COVID-19 VACCINE?

It is a shot with medicine. It helps keep you from getting sick with COVID-19.

WHICH COVID-19 VACCINE IS THE BEST?

Any of the shots help keep you from getting sick with COVID-19. Some vaccines need two shots to work and some only need one shot.

- Moderna = two shots (age 18 or older)
- Pfizer = two shots (age 16 or older)

DO I HAVE TO GET THE VACCINE?

No, it is your choice. Talk to someone you trust, like a family member, friend, or doctor if you have questions.

HOW MUCH DOES THE VACCINE COST?

Nothing. The vaccine is free. Bring your insurance card if you have insurance.

WHAT ARE MY RIGHTS?

You have the right to get a COVID-19 vaccine if you want one.

HOW DO I GET THE VACCINE?

You need to make an appointment. Call your doctor or go to www.siphidaho.org/coronavirus.php to see where you can schedule your vaccine.

COVID-19 VACCINE FACTS

WHAT SHOULD I EXPECT AT THE VACCINE APPOINTMENT?

Wear a mask to your appointment. You will get a card that shows you got your COVID-19 vaccine. Keep that card in a safe place. Bring the card to your second appointment. You will have to wait for 15 – 30 minutes after your shot to make sure you are okay.

WILL I GET SICK FROM THE VACCINE?

Some people feel sick and some do not. If you feel bad, it is often only for a day or two.

- You may have a sore arm
- You may feel tired
- You may have a headache, fever or feel cold
- You may feel sick to your stomach

DO I STILL NEED TO WEAR A MASK AFTER MY VACCINE?

Yes, you should keep taking precautions in public places like wearing a mask, staying 6 feet apart from others, and avoiding crowds and poorly ventilated spaces until we know more.
