Franklin	12	26	38	0
Oneida	6	8	14	1
Power	6	25	31	1
TOTAL	372	244	616	23

To help prevent the spread of this virus, it is more important than ever that the public follows the following prevention methods.

- Wear cloth face coverings in public places.
- Practice social distancing (6ft).
- Stay home if you are sick.
- Avoid people who are sick.
- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol.
- Cover your nose and mouth with a tissue or your sleeve when you cough or sneeze.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Cleaning and disinfecting surfaces and objects that may be contaminated with germs using a disinfecting solution.
- Get vaccinated as soon as possible.
